

# Wireless Wall Mounted Button

SKU#950-WLT-IDPNC-2 (Indoor With Cover)

The indoor wall mounted wireless duress button includes a clear cover with an audible alert. It is available in the colors: white, red, blue, green or yellow. Custom text is available on the button housing and the clear cover. It instantly sends a wireless alarm to the LynxNet WLS and then sends it to the LynxGuide server.

## Features and Benefits

- Easily install without running wires
- Individual transmitters can be tested while other transmitters remain operational
- Transmitter signal and battery are supervised
